

Half-time Psychometrician

I have an immediate opening for a half-time psychometrician in my busy and well-established neuropsychology practice in Palm Beach Gardens, Florida. The position involves the administration and scoring of neuropsychological tests to a wide range of adult clients. Hours are somewhat flexible. Benefits, compensation and working environment are excellent. The successful applicant will ideally have a master's degree in psychology or a related field. Prior supervised testing experience is required and prior supervised neuropsychological testing experience is very highly desirable. A mature and professional appearance and demeanor are mandatory. Our practice mostly involves medical-legal evaluations, as well as dementia evaluations. Some travel is occasionally required, almost always within south and central Florida. Serious candidate should feel free to contact me directly via telephone or email.
