

**Fordham University, Department of Psychology:**  
**Visiting position**

The program in **Psychometrics and Quantitative Psychology** seeks to hire a visiting assistant or associate professor for one or two years. Responsibilities include: teaching at the undergraduate and graduate level; mentoring students' masters and doctoral level research; developing an independent program of research. Applicants with a strong track record of publication in psychometrics and quantitative psychology are encouraged to apply.

Evaluation of candidates will begin immediately and will continue until the position is filled. Please send vita, representative publications, and letters of reference to Dr. Kathleen Schiaffino, Chair, Psychology Department, Fordham University, Bronx, NY 10458-5198 or [schiaffino@fordham.edu](mailto:schiaffino@fordham.edu).

The Department of Psychology offers doctoral degrees in Clinical Psychology, Applied Developmental Psychology (ADP), and Psychometrics. Fordham is an independent, Catholic University in the Jesuit tradition that welcomes applications from men and women of all backgrounds. Minorities are encouraged to apply. Fordham is an equal opportunity/affirmative action employer.
