

QUANTITATIVE PSYCHOLOGY. The Department of Psychology at The OHIO STATE UNIVERSITY seeks an outstanding candidate in quantitative psychology. Pending availability of funds, this position is expected to be at the Assistant or Associate level. Candidates who have experience with computational aspects of latent variable models and a record of collaboration (within and beyond psychology) will be especially attractive. All applicants are expected to have strong and fundable research programs and to contribute to both graduate and undergraduate supervision and instruction. Prospective candidates should send a letter of application, statements of research and teaching interests, a vita, selected reprints, and three letters of recommendation to the Quantitative Search Committee, Department of Psychology, Ohio State University, 1835 Neil Avenue, Columbus, OH 43210-1222. To ensure consideration, application materials must be received by October 1, 2010, but applications will be reviewed until the position is filled. Electronic applications will not be accepted. For more information about the department, visit: www.psy.ohio-state.edu. Ohio State is an EEO/AA Employer. To build a diverse workforce, women, minorities, veterans, and individuals with disabilities are encouraged to apply.
